WhitenMAX BR800

Professional Teeth Whitening Unit

The WhitenMAX BR800 professional teeth whitening unit is equipped with 5 powerful dual-spectrum LED lights providing effective whitening treatments in minutes. The unit's mobile and streamlined design allows for comfortable chair-side treatment for patients and blends harmoniously into the clinic.

- Dual-spectrum LEDs (4 blue & 1 red) to activate different types of teeth-whitening materials.
- Adjustable extending arm and whitening lamp to cover all treatment angles and ensure patient comfort.
- Curved whitening lamp enables full coverage of smile line.
- High mobility for chair-side treatment.

Two Modes:
Mode 1:
 High - 100% power
Mode 2:
 Low - 70% power

Three Light Selections:

Whitening Time:
 Programmable from 1~20 minutes.
 Automatically snoozes after 60 seconds of idle time.
